Physician required

Designation: Medical Doctor

Action Research and Training for Health (ARTH) is a not for profit public health organization based in Udaipur, Rajasthan. We have been active in southern Rajasthan since 1997 and have intervened across the state in multiple public health projects in collaboration with State health department, National Health Mission and other NGOs. ARTH not only works through such projects but also has a strong base of field work in rural southern Rajasthan. We operate three rural health facilities and periodic outreach services through camps and telemedicine to provide primary health care and round the clock delivery and neonatal care services.

ARTH core area of work has been in sexual and reproductive health, neonatal & child health, and the last three years we have begun addressing community needs in the area of Geriatrics and chronic health conditions. We continuously innovate to address the contemporary health needs of rural and vulnerable sections of community. In the COVID-19 era, prevention, management of mild Covid at home with referral as needed, dealing with post Covid conditions and maintaining access to geriatric care have emerged as of prime importance. Hence, we are looking for a Medical Doctor who would be part of clinical team and lead clinical services in our primary healthcare setting.

The Medical Doctor will perform the following *duties*:

- Plan, treat and review the clinical conditions of patients through clinics, camps, telemedicine and referral
- Train the clinical team on clinical skills for commonly seen conditions
- Update clinical management protocols with emerging evidence and orient the clinical team for making appropriate changes
- Periodic case reviews with team to ensure quality of care
- Provide inputs to Lead, Services unit for improving patient care and organization of services

Eligibility:

- MBBS with at least 2 years of clinical experience or Post-graduate diploma/degree in any clinical speciality or Family Medicine
- Must be registered with Rajasthan Medical Council for practice
- Should be able to communicate fluently in Hindi

Working conditions and remuneration: Our rural health centers have a well equipped and conducive work environment with proper consultation rooms and nursing staff. This is a full time position with leave permissible as per organization's rules. The job requires regular travel in Udaipur and Rajsamand districts, travel between workplaces will be arranged by organization. Salary offer Rs 60,000 to 85,000 per month as per qualification and experience.
